10. Future SHOPP project on State Highway 147
John Mannle addresses the Commission in regards to the proposed replacement of the bridge replacement on Hwy 147. He explains that Caltrans is bringing forth the proposal of possibly using County road A-13 as a detour during the construction of the new bridge. This project will require a lot of coordinating between Local Agencies and Caltrans. Caltrans will be pursuing Public opinion in the future, but would like input from the Commission and the Plumas County Board of Supervisors.
Interim Director Bob Perreault suggests that the Transportation Commission and the Board of Supervisors request Caltrans to obtain input from the Public before making a County decision on the proposed Hwy 147 construction-phase closure and allowing County road A-13 to be used as a detour route. There is general discussion on the proposal.
11. The next meeting of the Plumas County Transportation Commission will be held on Monday, December 17th at 1:30 p.m.

Robert Perreault, Jr., Interim Executive Director
