QUESTIONS FOR STAFFING CRITICAL POSITIONS CURRENTLY ALLOCATED FOR
ENVIRONMENTAL HEALTH
FISCAL YEAR 2023/2024
November 21, 2023

1. Is this a legitimate business, statutory, or financial justification to fill the position?

Yes, the requested Environmental Health Technician I or II position is critical for workload, customer service, business needs.

2. Why is it critical that this position be filled at this time?

This vacancy reduces field staff by 20%. Combining this vacancy with the currently vacant department director position, the total staffing level for Environmental Health professional field staff is reduced 28%.

This reduced level of staffing severely limits Environmental Health's ability to address land use permit applications, perform water quality and hazardous materials mandates, and will result in significant delays in service capacity and response times in all program areas.

3. How long has this position been vacant?

The resignation was effective November 17th.

4. Can the department use other wages until the next budget cycle?

No other wages are currently budgeted. One (1) permanent full-time replacement employee is needed.

5. What are staffing levels at other counties for similar departments and/or positions?

Unknown

6. What core function will be impacted without filling the position prior to July 1st?

The winter is a time of training and preparation for the coming spring and summer for Env Health field services, as such the lack of staff to perform in these programs could result in loss of local regulatory control to Cal-EPA and other State agencies.

7. What negative fiscal impact will the County suffer if the position is not filled prior to July 1st?

The lack of sufficient staff to work these programs could result in the loss of funding from service fees and grants to include, and not limited to:

- ***Sanitation Services such as: drinking water, swimming pools, store and use hazardous materials, and food service.***
- ***Grants such as: "Certified Unified Program Agency" (CUPA) [hazmat], and State Local Enforcement Agency (LEA) [solid waste].***

QUESTIONS FOR STAFFING CRITICAL POSITIONS CURRENTLY ALLOCATED FOR
ENVIRONMENTAL HEALTH
FISCAL YEAR 2023/2024
November 21, 2023

8. A non-general fund department head needs to satisfy that he/she has developed a budget reduction plan in the event of the loss of future state, federal or local funding? What impact will this reduction plan have to other County departments?

N/A

9. Does the Department expect other financial expenditures which will impact the general fund and are not budgeted such as audit exceptions?

None known

10. Does the budget reduction plan anticipate the elimination of any of the requested positions?

N/A

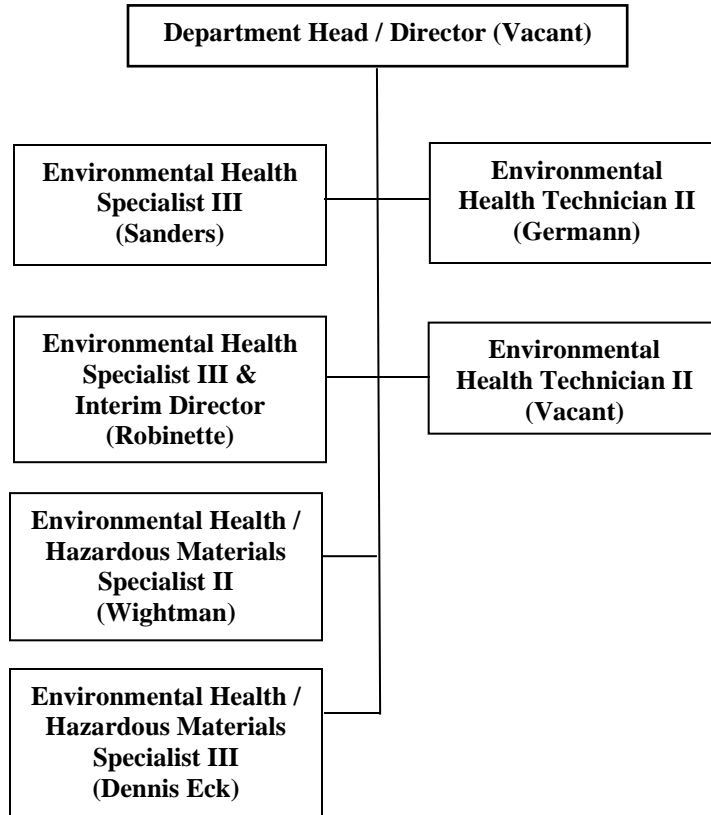

Departments shall provide an estimate of future general fund support for the next two years and how the immediate filling of this position may impact, positively or negatively, the need for general fund support?

This position is funded and allocated. Funding comes from a variety of sources including fees for services and portions from a variety of small grants for various Environmental Health programs. No change in general fund support for Environmental Health is anticipated for this position.

11. Does the department have a reserve? If yes, provide the activity of the department's reserve account for the last three years?

No reserve

Greg,

I will approve the Verizon contract along with the addendum for a 2 year agreement with free devices as my only concern was the fact that it is a 2 year agreement no matter what.

Hi Greg:

With everything going on I think we should move forward with the two-year contract for the 10 phones, which would include County Counsel (3), IT (3), CAO (1), Risk Management/OES (2). That would allow us to move forward with a test group. What is the cost for 10 phone lines for two years? Depending on the expense it may need to go to the BOS.

Thanks!

Hey Josh,

I did get a month-to-month quote as well. The monthly service cost is the same as the two year however phones would be full price (400-800) bucks and the cost savings from going this route would be buh-bye.

He also responded about a 1 year contract being unable to receive discounted hardware pricing due to "Sorry, one year pricing is not available on any of the government contract. Both CALNET and NASPO now require a 2 year agreement for equipment discounted pricing."

I am also including Debra Lucero on this email to get her input on either:

-2 year contract w/ a carrier for our trial group with free devices

-or should we consider month-to-month and full price devices (with perhaps a smaller trial group) until we determine if this is right for us or not.

Debra, any input?

Well, this looks exciting.

Anyways, I (of course) have some concerns. It would appear that California allows for these types of agreements.

We have to agree to the Master agreement (attached) that is between Utah and Verizon. Lots of stuff in there including selling data for any reason and storing it offshore as well as limitations on Verizon's liability but I don't see any way that Verizon agrees to changing even a punctuation mark in their contract so it is what it is.

We have to agree to the participating addendum (attached) which is fine more or less.

The only place where I can see a change happening is in the quote. There are problems with the quote, specifically that the prices for anything can change whenever and, more importantly, that this contract appears to be for two years and we will have to pay if we don't use that entire two years. Greg, it sounded like you just wanted to trial this (for a few months? A year?) but I don't see any part of any agreement which puts that in writing. Based on my review we would be on the hook for paying back the discount if we bail out. Can we get something from them in the quote specifying that this is a trial and not a contract or is this what you want?

**PLUMAS COUNTY
OFFICE OF TREASURER/TAX COLLECTOR
MEMORANDUM**

TO: Honorable Chair and Board of Supervisors

FROM:

MEETING DATE: November 21, 2023

SUBJECT: Approve and authorize Chair to sign an agreement between Plumas County and City of Portola; effective November 21, 2023; (General Fund Impact) additional property tax revenue in the amount of \$18,650; approved as to form by County Counsel; discussion and possible action.

Recommendation:

Approve and authorize Chair to sign an agreement between Plumas County and City of Portola; effective November 21, 2023; (General Fund Impact) additional property tax revenue in the amount of \$18,650; approved as to form by County Counsel; discussion and possible action.

Background and Discussion:

The Tax Collector is required to offer properties for sale at public auction that are 5 years tax default and have become subject to the power of sale. The State Controller's office manual provides for a Chapter 7 or Chapter 8 property tax sale auction. Chapter 7 is a public auction where a taxing agency or non-profit has not objected to the sale of a property. Taxing Agencies and Non-Profits are notified during the Chapter 7 sale process that they may object to the sale to obtain a property for a public benefit or to preserve a lien.

The City of Portola submitted a proposal to purchase several properties and has a written application approved by the City Council. These properties are undeveloped parcels within the City of Portola that have been offered numerous times at the Chapter 7 tax sale and have not sold. When properties do not sell, the bids are cut to encourage bidding and re-offered at a future sale. These properties are a public nuisance and hazard to the community. The City would like to purchase these properties to relieve the health and safety hazards, in addition to having a potential future site for public/private affordable housing.

Per Revenue & Taxation code parcels can be combined into one bid and the bid set by the Tax Collector. There are a total of 23 parcels with a purchase price of \$18,650. These parcels have been through foreclosure, bankruptcy and multiple tax sales and re-offer tax sales. There has never been any interest from the public in purchasing these parcels at auction. The approval of the Agreement sale will benefit both the County by removing these surplus parcels from the tax roll and remove the repetitive sale process with no positive outcome. The approval will also benefit the City of Portola by cleaning up a hazard area and provide potential for future housing.

I respectfully request your approval of the Agreement to Purchase Tax Defaulted Property between the County and City of Portola. The date of the Agreement to Purchase must be the same date as the approval of the Board of Supervisors, per R & T Code. The original agreement will be sent to the State Controller's office for approval.

Thank you.

- Treated as a Single Transaction. The SELLER shall sell the property(s) listed in Exhibit "A" as a single transaction to the PURCHASER in consideration of the receipt of the payments in listed in this agreement.
- Redemption. If any of the properties listed in Exhibit "A" are redeemed prior to the effective date of this agreement, this agreement shall be null and void as to that property or properties. Notwithstanding the foregoing, the agreement shall be binding and shall remain in full force and effect with respect to any remaining property(s).
- Void/Incomplete Purchase. This agreement shall become null and void and the right of redemption restored upon the failure of the PURCHASER to comply with the terms and conditions of this agreement prior to the tax deed recordation. The PURCHASER will be required to reimburse the Tax Collector for the costs for producing notice, publication, and actual costs incurred for preparing and conducting the agreement sale if these expenses have already been incurred.
- Indemnity. The PURCHASER shall indemnify the SELLER from and against any and all liability, loss, costs, damages, attorney's fees, and other expenses which the SELLER may sustain or incur by reasons of a challenge to validity of the tax default sale of the property described in Exhibit "A". Pursuant to California Revenue and Taxation Code section 3809, a proceeding based on alleged invalidity or irregularity of any proceeding instituted can only be commenced within one year after the date of execution of the Tax Collector's deed.
- Environmental Condition of Property. The property acquired pursuant to this agreement may contain hazardous wastes, toxic substances, or other substances regulated by federal, state, and local agencies. The SELLER in no way whatsoever assumes any responsibility, implied or otherwise, and makes no representations that the property(s) are in compliance with federal, state, or local laws governing such substances. The SELLER in no way assumes any

responsibility, implied or otherwise, for any costs or liability of any kind imposed upon or voluntarily assumed by the PURCHASER or any other owner to remediate, clean up, or otherwise bring into compliance according to federal, state, or local environmental laws property purchased.

- CERCLA. The SELLER and the PURCHASER agree that under United States Code, title 42, section 9601(20,d), the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) expressly excludes local and state governments from clean up liability for properties they acquire as a result of tax delinquencies. Notwithstanding this provision, the PURCHASER shall defend, indemnify, and hold harmless the SELLER, its board of supervisors, officers, claims, actions, liabilities, losses, damages, and agreement, regardless of whether caused in part by a party indemnified hereunder, including but not limited to allegations that the SELLER and/or the SELLER'S officers, directors, agents, employees, or volunteers are liable for costs or other charges related to the remediation, clean up, or other work necessary to bring any property purchased under this agreement into compliance with deferral, state, or local environmental laws. (SCO 8-13)(9-16)

The undersigned hereby agree to the terms and conditions of this agreement and are duly authorized to sign for said agencies.

1. 23-693 FINAL (7)

Services Agreement

This Agreement is made by and between the COUNTY OF PLUMAS, a political subdivision of the State of California, by and through its **Sheriff's Department** (hereinafter referred to as "County"), and DeMartile Automotive, Inc, a California Corporation (hereinafter referred to as "Contractor").

The parties agree as follows:

1. Scope of Work. Contractor shall provide the County with services as set forth in Exhibit A, attached hereto.
2. Compensation. County shall pay Contractor for services provided to County pursuant to this Agreement in the manner set forth in Exhibit B, attached hereto. The total amount paid by County to Contractor under this Agreement shall not exceed Forty Thousand Dollars (\$ 40,000.00).
3. Term. The term of this agreement shall be from October 1, 2023 through September 30, 2024, unless terminated earlier as provided herein.

County's Board of Supervisors hereby ratifies, and approves for payment, services provided by Contractor from October 1, 2023 to the date of approval of this Agreement by the Board of Supervisors.

4. Termination. Either party may terminate this agreement by giving thirty (30) days written notice to the other party.
5. Non-Appropriation of Funds. It is mutually agreed that if, for the current fiscal year and/or any subsequent fiscal years covered under this Agreement, insufficient funds are appropriated to make the payments called for by this Agreement, this Agreement shall be of no further force or effect. In this event, the County shall have no liability to pay any further funds whatsoever to Contractor or furnish any other consideration under this Agreement and Contractor shall not be obligated to perform any further services under this Agreement. If funding for any fiscal year is reduced or deleted for the purposes of this program, the County shall have the option to either cancel this Agreement with no further liability incurring to the County, or offer an amendment to Contractor to reflect the reduced amount available to the program. The parties acknowledge and agree that the limitations set forth above are required by Article XVI, section 18 of the California Constitution. Contractor acknowledges and agrees that said Article XVI, section 18 of the California Constitution supersedes any conflicting law, rule, regulation or statute.
6. Warranty and Legal Compliance. The services provided under this Agreement are non-exclusive and shall be completed promptly and competently. Contractor shall guarantee all parts and labor for a period of one year following the expiration of the term of this Agreement unless otherwise specified in Exhibit A. Contractor agrees to comply with all applicable terms of state and federal laws and regulations, all applicable grant funding

conditions, and all applicable terms of the Plumas County Code and the Plumas County Purchasing and Practice Policies.

7. Amendment. This Agreement may be amended at any time by mutual agreement of the parties, expressed in writing and duly executed by both parties. No alteration of the terms of this Agreement shall be valid or binding upon either party unless made in writing and duly executed by both parties.
8. Indemnification. To the furthest extent permitted by law (including without limitation California Civil Code Sections 2782 and 2782.8, if applicable), County shall not be liable for, and Contractor shall defend and indemnify County and its officers, agents, employees, and volunteers (collectively "County Parties"), against any and all claims, deductibles, self-insured retentions, demands, liability, judgments, awards, fines, mechanics' liens or other liens, labor disputes, losses, damages, expenses, charges or costs of any kind or character, including attorney's fees and court costs (hereinafter collectively referred to as "Claims"), which arise out of or are in any way connected to the work covered by this Agreement arising either directly or indirectly from any act, error, omission or negligence of Contractor or its officers, employees, agents, contractors, licensees or servants, including, without limitation, Claims caused by the concurrent negligent act, error or omission, whether active or passive of County Parties. Contractor shall have no obligation, however, to defend or indemnify County Parties from a Claim if it is determined by a court of competent jurisdiction that such Claim was caused by the sole negligence or willful misconduct of County Parties. The obligations of this indemnity shall be for the full amount of all damage to County, including defense costs, and shall not be limited by any insurance limits.
9. Insurance. Contractor agrees to maintain the following insurance coverage throughout the term of this Agreement:
 - a. Commercial general liability (and professional liability, if applicable to the services provided) coverage, with minimum per occurrence limit of the greater of (i) the limit available on the policy, or (ii) one million dollars (\$1,000,000).
 - b. Automobile liability coverage (including non-owned automobiles), with minimum bodily injury limit of the greater of (i) the limit available on the policy, or (ii) two-hundred fifty thousand dollars (\$250,000) per person and five hundred thousand dollars (\$500,000) per accident, as well as a minimum property damage limit of the greater of (i) the limit available on the policy, or (ii) fifty thousand dollars (\$50,000) per accident.
 - c. Each policy of commercial general liability (and professional liability, if applicable to the services provided) coverage and automobile liability coverage (including non-owned automobiles) shall meet the following requirements:

- i. Each policy shall be endorsed to name the County, its officers, officials, employees, representatives and agents (collectively, for the purpose of this section 9, the "County") as additional insureds. The Additional Insured endorsement shall be at least as broad as ISO Form Number CG 20 38 04 13; and
- ii. All coverage available under such policy to Contractor, as the named insured, shall also be available and applicable to the County, as the additional insured; and
- iii. All of Contractor's available insurance proceeds in excess of the specified minimum limits shall be available to satisfy any and all claims of the County, including defense costs and damages; and
- iv. Any insurance limitations are independent of and shall not limit the indemnification terms of this Agreement; and
- v. Contractor's policy shall be primary insurance as respects the County, its officers, officials, employees, representatives and agents, and any insurance or self-insurance maintained by the County, its officers, officials, employees, representatives and agents shall be in excess of the Contractor's insurance and shall not contribute with it, and such policy shall contain any endorsements necessary to effectuate this provision. The primary and non-contributory endorsement shall be at least as broad as ISO Form 20 01 04 13; and
- vi. To the extent that Contractor carries any excess insurance policy applicable to the work performed under this Agreement, such excess insurance policy shall also apply on a primary and non-contributory basis for the benefit of the County before the County's own primary insurance policy or self-insurance shall be called upon to protect it as a named insured, and such policy shall contain any endorsements necessary to effectuate this provision.

d. Workers Compensation insurance in accordance with California state law.

If requested by County in writing, Contractor shall furnish a certificate of insurance satisfactory to County as evidence that the insurance required above is being maintained. Said certificate of insurance shall include a provision stating that the insurers will not cancel the insurance coverage without thirty (30) days' prior written notice to the County. County reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications at any time. Contractor shall require all subcontractors to comply with all indemnification and insurance requirements of this agreement, and Contractor shall verify subcontractor's compliance.

10. Licenses and Permits. Contractor represents and warrants to County that it or its principals have all licenses, permits, qualifications, and approvals of whatsoever nature

that are legally required for Contractor to practice its profession and to perform its duties and obligations under this Agreement. Contractor represents and warrants to County that Contractor shall, at its sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals that are legally required for Contractor or its principals to practice its professions and to perform its duties and obligations under this Agreement.

11. Relationship of Parties. It is understood that Contractor is not acting hereunder as an employee of the County, but solely as an independent contractor. Except as expressly provided in this Agreement, Contractor has no authority or responsibility to exercise any rights or power vested in County. It is understood by both Contractor and County that this Agreement shall not under any circumstances be construed or considered to create an employer-employee relationship or joint venture.

Contractor represents and warrants that Contractor is an individual acting as a sole proprietor, or a business entity formed as a partnership, limited liability company, limited liability partnership, or corporation ("business service provider") that customarily provides services of the same nature as the services provided for County under this Agreement. Contractor represents and warrants that Contractor advertises these services to and contracts with entities other than County. Contractor represents and warrants that Contractor maintains a separate business location and has all required business licenses and tax registration, if any, in order to perform services under this Agreement. Contractor shall have the right to set their own hours and location of work, consistent with the nature of the services provided under this Agreement. Contractor shall determine the method, means and manner of performance of, but not limited to, such matters as outlined in Exhibit "A" without restriction by County. County is interested only in the results to be achieved from Contractor's performance of the services. Contractor shall provide their own resources and equipment and direct their operation in all respects when necessary to perform these services. Notwithstanding this Agreement, Contractor shall have the right to provide the same or similar services to entities other than the County without restriction. County shall have no authority, control, or liability regarding Contractor's performance or activities before or after each instance that Contractor may perform under this Agreement. Contractor will at all times indemnify and hold County, and their respective agents, contractors and employees harmless from any and all claims, damages, liabilities and costs (including attorneys' fees) arising out of any material breach by Contractor of any representation, warrant or agreement made by Contractor hereunder or arising out of Contractor's services.
13. Assignment. Contractor may not assign, subcontract, sublet, or transfer its interest in this Agreement without the prior written consent of the County.
14. Non-discrimination. Contractor agrees not to discriminate in the provision of service under this Agreement on the basis of race, color, religion, marital status, national origin, ancestry, sex, sexual orientation, physical or mental handicap, age, or medical condition.

18. Severability. The invalidity of any provision of this Agreement, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof.
19. Headings. The headings and captions contained in this Agreement are for convenience only, and shall be of no force or effect in construing and interpreting the provisions of this Agreement.
20. Waiver of Rights. No delay or failure of either party in exercising any right, and no partial or single exercise of any right, shall be deemed to constitute a waiver of that right or any other right.
21. Conflict of Interest. The parties to this Agreement have read and are aware of the provisions of Government Code section 1090 *et seq.* and section 87100 *et seq.* relating to conflicts of interest of public officers and employees. Contractor represents that it is unaware of any financial or economic interest of any public officer or employee of County relating to this Agreement. It is further understood and agreed that if such a financial interest does exist at the inception of this Agreement and is later discovered by the County, the County may immediately terminate this Agreement by giving written notice to Contractor.

SUBJECT: Adopt **RESOLUTION** authorizing submittal of application(s) for all CalRecycle Grant and payment programs for which the County of Plumas is Eligible; (No General Fund Impact); approved as to form by County Counsel; discussion and possible action. Roll call vote

Recommendation:

Public Works Solid Waste Division respectfully recommends that the Board of Supervisors adopt the attached resolution, allowing Public Works to apply for CalRecycle grant funding related to SB 1383.

Background and Discussion:

California Senate Bill 1383 (SB 1383) intends to reduce the amount of edible food waste entering into California landfills by creating requirements for entities such as grocery stores to donate food to local food recovery organizations. In addition to requirements for private entities, SB 1383 also creates a number of reporting and regulatory requirements for public entities. To assist jurisdictions in meeting their requirements pursuant to SB 1383, CalRecycle has created the SB 1383 Local Assistance Grant Program.

Public Works staff intends to apply for the SB 1383 local Assistance grant in order to cover some of the costs to Plumas County associated with SB 1383 compliance efforts.

The attached Resolution, approved as to form by County Counsel, will allow the director of Public Works to apply for and receive funds under the CalRecycle SB 1383 Local Assistance Grant.

AND PAYMENT PROGRAMS FOR WHICH THE COUNTY OF PLUMAS IS ELIGIBLE**

Whereas, Public Resources Code sections 48000 et seq., 14581, and 42023.1(g), authorize the Department of Resources Recycling and Recovery (CalRecycle) to administer various grant and payment programs in furtherance of the State of California's (state) efforts to reduce, recycle and reuse solid waste generated in the state thereby preserving landfill capacity and protecting public health and safety and the environment; and

MEMORANDUM**

TO: Honorable Chair and Board of Supervisors
FROM: Debra Lucero, County Administrative Officer
MEETING DATE: November 21, 2023
SUBJECT: Feral Cat Spay/Neuter Clinic Report

Recommendation:

Accept for information.

Background and Discussion:

Earlier this year, the Board of Supervisors allocated \$10,000 of the PG&E Settlement Funds to the CAO's office to assist Plumas County Animal Control and two non-profits (Friends of Plumas County Animals and Plumas Animal Welfare Society (PAWS)) to set up a one-day Plumas County Spay/Neuter Feral Cat Project on Saturday, Oct. 14 in Taylorsville.

One of the biggest expenses was the cost of traps (about \$7,400), which was purchased with part of the \$10,000 county commitment. The traps are being held by Plumas County Animal Control and are available for subsequent clinics. The remaining balance will be used to offset insurance costs, rabies vaccinations, spay and neuter kits, \$25 payment to Dr. Merrill per cat, use of sterilizing equipment, food and necessities while the cats were treated.

42 males and 36 females were neutered - 82 in total with 96 cats trapped. This was done via the efforts of DVM Frank Merrill, Jr., DVM Michelle Kelley from San Mateo, her veterinary assistants and a long list of volunteers from all over Plumas County. The surgical portion was performed in about 12 hours. The county would like to thank the following veterinarians:

Dr. Susie Salvin, Westside Animal Hospital, 1205 N. St., Newman, CA; Dr. Kim Carlson, Levity Veterinary Specialists, 257 N. Amphlett Blvd., San Mateo, CA; and Dr. Steve Sutter, Aragon Veterinary Clinic, 819 S. B St., San Mateo, CA. All provided necessary equipment for the clinic.

Accept for information.

**PLUMAS COUNTY
COUNTY ADMINISTRATOR
MEMORANDUM**

TO: Honorable Chair and Board of Supervisors
FROM: Debra Lucero, County Administrative Officer
MEETING DATE: November 21, 2023
SUBJECT: Engie Energy Assessment Update

Recommendation:

Information, discussion, possible action.

Background and Discussion:

Since January, the County has been engaged with Engie for an energy assessment of the Plumas County campus. This included all buildings owned and operated by the county. The buildings were observed for lighting, heating and cooling efficiency, age of equipment (HVAC systems, pumps, etc.). Engie has sent an engineering team to Plumas on several occasions. During this process, we began to look at the assessment as a way to finance the replacement of aging and oftentimes inefficient equipment and create a solar field to assist the county with rising PG&E costs.

Action:

Move to locate the proposed Solar Field next to the Annex on County-Owned land.

Fiscal Impact:

Net zero effect expected on the General Fund with the savings on repairs and replacements of inefficient HVAC systems, generators, etc. and generation of solar energy to reduce substantial PG&E bills.

Attachments:

1. Annex Building Ground mount system

ENGIE Services is proposing to install 1.43 MW ground mount solar PV system near the Annex Building. The solar generation from this system will offset the electrical usage for thirty seven (37) sites across the County within PG&E territory. Below is the layout for the ground mount system.

Figure-1: Solar ground mount system

The total area covered by the array is approximately 3 acres. There are some trees and shrubs which have to be removed, those are shown in the picture below.

**PLUMAS COUNTY
BOARD OF SUPERVISORS
MEMORANDUM**

TO: Honorable Chair and Board of Supervisors
FROM: Debra Lucero, County Administrative Officer
MEETING DATE: November 21, 2023
SUBJECT: Clifton, Larson & Allen Recommendations

Recommendation:

Adopt the following recommendations as identified by Clifton, Larson & Allen (CLA).

Background and Discussion:

The County has allocated \$728,000, to date, to the accounting firm Clifton, Larson & Allen (CLA) to assist with finances and review processes in the Treasurer-Tax Collector's, Auditor/Controller's and the CAO's departments. During on-site and virtual visits, three CLA accountants (working nearly full-time since May 2023 on Plumas County issues) came up with the first of many process and best-practice recommendations. These first four recommendations deal specifically with the Treasurer-Tax Collector's office. Traditional "hand" processes done by 10-key and Excel spreadsheets are not keeping up with the complicated compliance reporting required by the State. This is one major factor that has delayed the County's ability to complete its annual external audit. The recommendations made here are "best practices." Implementation will help to assure the continuity of the County's financial workflow.

Action:

Adopt the following recommendations and/or processes to assure the continuity of Plumas County's financial workflow.

1st Recommendation - Set up each person within the Treasury - responsible for banking transactions, reconciliation duties with their own appropriate bank login (no sharing of login information).

2nd Recommendation - Setup read-only access rights for the County Administrative Officer & access rights for Treasury based on the needs of job function.

3rd Recommendation - The Board of Supervisors should obtain an inventory of all County bank accounts and review for completeness and accuracy of all accounts under the County's purview and inclusion for monitoring all controls, i.e. appropriate access levels assigned, access to statements, monitoring of account balances, proper duties, bank account reconciliations, proper internal controls within the functions of Treasury, Auditor-Controller.

4th Recommendation – Utilization of investment software to expedite the investment reporting process and to guarantee investment compliance reporting which has not occurred since August of 2021. In addition, the software can assist with management of investment reporting and recording of transactions.

Fiscal Impact:

Sympro software purchase. Up to \$40,000 has been included in the Treasurer-Tax Collector's 2023-24 budget for this and other potential software purchases to ease workflow in this office as identified by CLA.
