RESOLUTION 2024- 8897

WHEREAS, the Plumas County Board of Supervisors recognizes that conditions of extreme peril to the safety of persons and property have arisen within Plumas County; caused by the February-March 2024 Winter Blizzard that hit the Sierra region including Plumas County, and

WHEREAS, Plumas County's only incorporated city has had days with no power which has had a significant impact on our medical oxygen-dependent citizens and residential heating sources; and
