IX. PUBLIC HEARING – STANIGER ZONE CHANGE (ZC 9-23/24-10) (Tracey Ferguson, AICP, Planning Director)

Jason and Nicole Staniger, property owners/applicants. The proposed Zone Change project is located at 7398 Highway 147, Lake Almanor, unincorporated Plumas County, California; Assessor Parcel Number (APN) 106-010-004-000; Township 28 North/Range 8 East/Section 21, MDM. The proposal is to amend the zoning applied to the parcel, by ordinance, adding approximately 9.0 acres of the Farm Animal Combining Zone ("F") to the approximately 16.93-acre Suburban ("S-1") parcel zoning. The ordinance is proposed to be exempt from the requirements of the California Environmental Quality Act (CEQA) under CEQA Guidelines Sec. 15061(b)(3) because after conducting the initial environmental evaluation for the project, which showed no potential adverse effects on the environment, it can be seen with certainty that there is no possibility that the project may have a significant effect on the environment. Further, Plumas County Codes, in addition to regional, state, and federal regulatory standards and regulations, would serve to address potential environmental effects.

The Planning Commission is charged with rendering a decision on the above matter in the form of a written recommendation (Planning Commission Resolution Number P.C. 2025-01) to the Board of Supervisors as per Plumas County Code Sections 2-2.107, 2-2.108, 9-2.905, and 9-2.906.
