To: Honorable Board of Supervisors
From: Tim Gibson, Agricultural Commissioner
Subject: Approval of US Forest Service Resource Advisory Council (RAC) grant amendment

It is recommended that the Board of Supervisors approve this RAC grant amendment with Plumas National Forest allowing an additional \$15,642 for noxious weed control efforts by Plumas County Department of Agriculture

Background:

Plumas County Department of Agriculture had been awarded an USDA Forest Service RAC grant to fund noxious weed control activities during the 2013 weed season. The Federal Government sequester during the spring of 2013 caused the partial withholding of these funds. This amendment restores the withheld portion of that grant and will help the department fund noxious weed control activities at least through 2015.

TO: Honorable Board of Supervisors

FROM: Daniel Prince, Chief Probation Officer 

SUBJECT: Contract between Plumas County Probation and New Beginnings Educational Programs Inc.

Recommendation:

Authorize the Chief Probation Officer to sign contract for up to \$15,000 per annum with New Beginning Educational Programs Inc. for the facilitation of Domestic Violence Treatment Groups.

Background:

Section 1203.097 (5) of the Penal Code requires that individuals sentenced on domestic violence charges attend a one year Batterer's Program. Currently, New Beginnings is the only provider to meet the minimum qualifications to offer such a program in Plumas County. Certain Defendants may not have the financial means necessary to pay the costs of attending the groups; this contract would provide additional financial support to New Beginnings for the costs tract associated with facilitating Batterer's Groups in Plumas County. New Beginnings at this time is the only entity that has applied for and met Batterer's Program certification for groups in Plumas County, pursuant to 1203.097 of the Penal Code. For the next fiscal year, a Request for Proposal will be issued for this service.

From: Louise Steenkamp, AOD Director
Agenda: Item for BOS meeting on September 23, 2014

Recommendation:

Pursuant to Resolution No. 14-7975, authorize employees filling the classifications of Extra Help Substance Use Disorders Specialist and Extra Help Driver to exceed the 29-hour work week subject to direction of the Director of Alcohol and Other Drug Services.

Background Information:

The referenced Board of Supervisors Resolution provides that county department heads shall obtain the approval of the Board of Supervisors prior to permitting any part-time employee to work in excess of 29 hours per week. The Alcohol and Other Drug department (AOD) provides transportation services for AOD consumers and employs Extra Help Drivers for transportation and vehicle maintenance functions. The Extra Help Driver may also perform back-up transportation services for Public Health Senior Services and the Mental Health department. The flexibility for the Driver to work in excess of 29 hours, if needed, will greatly benefit the variable needs of AOD consumers and drug court partners.

AOD will be hiring an Extra Help AOD counselor effective September 29, 2014, to meet the increased referrals involved in the criminal justice system and self-referrals in the general population. Hiring additional counselors was a recommendation of the Grand Jury. To date, the department has not used a "wait list" for treatment services but with outreach, a web-site and Facebook presence, demand for services has been increasing. The ability for the Extra Help counselor to work in excess of 29 hours will allow the counselor to carry a full client case load.

Thank you for your consideration.
