#### STANDING ORDERS

Due to the Coronavirus Disease 2019 (COVID-19) and the Plumas County Public Health Agency Declaration of Local Health Emergency, dated March 16, 2020, and ratified by the Plumas County Board of Supervisors, the County has made several changes related to Planning Commission meetings to protect the public's health and prevent the disease from spreading locally. California Governor Gavin Newsom issued Executive Order N-29-20 on March 17, 2020, relating to the convening of public meetings in response to the COVID-19 pandemic.

Pursuant to the Executive Order, the Governor's temporary partial exemptions to the Brown Act, and to maintain the orderly conduct of the meeting, the County of Plumas members of the Planning Commission may attend the meeting via teleconference or phone conference and participate in the meeting to the same extent as if they were physically present. Due to the Governor's temporary, partial exemption to the Brown Act, the Board Chambers will be open to the public but subject to social distancing requirements, which may limit the number of people that may enter to 25% of room capacity. Those that wish to attend the Commission meeting will be required to wear a face covering, as required by the local Public Health Officer order.

The public may also participate as follows:
