

Resolution No. 10- 7619

**Authorization to redirect funds from Community Development Block Grant No. 05-STBG-1782**

**Whereas**, the County was awarded grant funds under the Community Development Block Grant (CDBG) program and entered into agreement No. 05-STBG-1782 with the State Department of Housing and Community Development (HCD) for among other purposes, the expansion of the Almanor Basin Community Center (ABCC Project); and

**Whereas**, it is anticipated that there will be unexpended funds after all expenses have been paid under Grant No. 05-STBG-1782; and

**Whereas**, an unanticipated need for additional funds to complete the ABCC Project has arisen; and

**Whereas**, in addition there is an additional need for funds to complete the Tobin water system, an otherwise eligible and grant competitive project; and

**Whereas**, HCD requires a public hearing before considering a request to redirect funds with a CDBG grant;

**NOW THEREFORE BE IT RESOLVED** that the County of Plumas respectfully request HCD to allow Plumas County to redirect any unexpended funds under Grant No. 05-STBG-1782 to complete the ABCC project, and if there are still additional unexpended funds to complete the Tobin Water system repair project by reimbursing incurred expenses.
