**Project Title:** Plumas Emergency Forest Restoration Project- Seneca Humbug

**Project Applicant:** Feather River Resource Conservation District

**Project Location** – The Project is located in Indian Valley, Plumas County, California within the footprints of the 2021 Dixie Fire. The project is located on privately owned parcels which burned at moderate to high severity.

**Specific:** T 26N R 06E S 11, 12, 13, 14, 24, 25; T 26N 08E S 9, 10, 14, 15, 16

**Project Location - City:** \_\_\_\_\_ **Project Location - County:** Plumas

**Description of Nature, Purpose and Beneficiaries of Project:**

The proposed action within the project footprint include treatment of fire affected vegetation including removal, chipping, or decking of woody debris and dead trees on private lands which burned at moderate to high severity. The project will treat up to 2,281 acres of forests which burned at moderate to high severity in the 2021 Dixie Fire. The project would conduct site preparation and tree planting to re-establish forest structure, followed by release treatments including herbicide application to control brush regeneration and reduce competition for planted trees. Treatments will utilize best management practices including erosion control measures, avoidance of culturally or biologically significant sites, and watercourse protections. The project will remove trees posing a risk to landowners, reduce residual fuel loads, and restore forest conditions.
