Project Location: The proposed project is located in Plumas County, California; Sections 3, 4, 10, 11, 14, 23, and 26 of Township 23N, Range 14E; and Sections 16, 21, 28, and 33 of Township 24N, Range 14E

Project Description: Plumas County, in combination with the Federal Highway Administration and U.S. Department of Agriculture, Forest Service, is proposing to improve and realign the southern 9.6 miles of Forest Highway (FH) 177 from State Route 70 in Beckwourth to County Road 111 in Clover Valley. The existing roadway is a combination of paved and unpaved surfaces. The project would improve the operational and design deficiencies of the roadway to be consistent with current design standards. The project would also include a realignment of FH 177 near Ceresola Ranch.

This to advise that the Zoning Administrator has made the following determinations:

The project will have a significant effect on the environment.

A Mitigated Negative Declaration was prepared and adopted for this project pursuant to the provisions of CEQA.

The Mitigated Negative Declaration and record of project approval may be examined at: Plumas County Planning Department - 555 Main Street, Quincy, CA 95971

Mitigation measures were made a condition of approval of the project and a mitigation monitoring program was adopted.
