Project Title: Sloat-Poplar Valley Road Bridge (NO. 9C-0149) Replacement at Middle Fork Feather River
State Clearinghouse Number: 2017082089

Project Location: Sloat-Poplar Valley Road at crossing of Middle Fork of the Feather River, Sloat, Unincorporated Plumas County, CA; Assessor's Parcel Number 122-220-002, 122-220-003, 122-220-005, 122-070-027, and 122-220-006; Latitude: 39 51' 38.6"/Longitude: -120 43' 39.9"

Project Description: The Project would construct a new 344 foot long and 26 foot wide bridge over the Middle Fork Feather River on Sloat-Poplar Road consisting of two 11 foot wide lanes and two foot wide shoulders and the removal of the existing one-lane bridge. The new bridge approaches will conform back to the existing roadway. Traffic on the existing bridge will remain in place during construction to provide access to residences, mining operations, and private and federal forest lands. The preferred alternative is to construct a new structure immediately adjacent to the existing bridge in order to accommodate traffic on the existing structure, thus avoiding development of a temporary river crossing. The existing bridge will be removed after the new bridge is operational.
