CORNER RECORD

Document Number 266

City of _____ County of PLUMAS, California

Brief Legal Description E 1/16 between Sections 29 & 32; T.26 N., R.10 E, MDM

CORNER TYPE

Government Corner Control
 Meander Property
 Rancho Other
 Date of Survey May 26, 2004

COORDINATES (Optional)

N. _____
 E. _____
 Zone _____ Datum _____
 Elev. _____

Corner — Left as found Found and tagged Established Reestablished Rebuilt

Identification and type of corner found: Evidence used to identify or procedure used to establish or reestablish the corner:
Corner evidence was destroyed, nothing found. The 3/4" pipe, tagged RCE7294 was tied by me in 1998 and documented on Record of Survey Book 11, at Pages 55 to 59. I was able to recover my old control and set a replacement monument in the previous position.

A description of the physical condition of the monument as found and as set or reset: _____
The old monument and both bearing trees were destroyed by the construction of a logging skid road. I placed a new monument being a 5/8" rebar with a 1-1/2" Aluminum cap, stamped RCE 29700 in a 28" dia. by 8" high stone mound on western edge of skid road. I also scribed two new bearing trees as outlined on the sketch on other side.
