

## Plumas Watershed Forum

Plumas County Flood Control & Water Conservation District  
California Department of Water Resources  
State Water Project Contractors

Mailing Address: 1834 East Main Street Quincy, CA 95971 Ph(530)283-6268 Fax (530)283-6323

### **Cost Share Reduction Policy**

It is the policy of the Plumas Watershed Forum to reevaluate all projects when any cost sharing support is reduced by more than 25 percent. The project contractor is to immediately notify the Plumas County Flood Control District when cost sharing support is reduced and provide a plan for completing the project. The Forum may elect to make up the funding difference, reduce the scope of the project, or cancel its funding for the project.
