

REGISTERED NURSE II-BEHAVIORAL HEALTH

DEFINITION

Under general supervision, to coordinate and participate in a variety of county publicly funded health services; to perform activities related to implementation of various health programs; to interview, educate, counsel, and refer clients regarding a variety of health conditions; and to do related work.

DISTINGUISHING CHARACTERISTICS

Incumbents in the Registered Nurse class series do not have the necessary education, experience, or license requirements to qualify as a Public Health Nurse. Incumbents perform the planning and conduct of nursing assessments, direct patient care, home visits, and health education. Incumbents at the Registered Nurse II level are performing many assignments on a relatively independent basis. They work under less direction and supervision than Registered Nurse I's.
