****** COVID 19******

To maintain social distancing standards, as required by the Governor, the public is required to remain in their vehicles unless directed otherwise.

Please follow the guidelines below while attending this collection event

1. Wear a mask/or face covering during your visit to the facility.
2. Load their boxes or bins of waste into the trunk of your vehicle. No waste will be unloaded from inside your vehicle. All waste must be in your trunk.
3. No containers larger than 5 gallons. If an item is leaking, place it in a larger container or plastic bag to minimize the leak.
4. State regulations limit the amount of waste you can transport to a total of 15 gallons of liquid waste, or 125 lbs. of solid waste. Individual containers or items must be no larger than 5 gallons or weigh no more than 50 lbs
