STANDING ORDERS

Due to the Coronavirus disease (COVID-19) Public Health Emergency, dated March 16, 2020, the Integrated Waste Management Task Force (IWMTF) is making several changes related to its meetings to protect the public's health and prevent the disease from spreading locally. California Governor Gavin Newsom issued Executive Order N-29-20 on March 17, 2020, relating to the convening of public meetings in response to the COVID-19 pandemic. Pursuant to the Executive Order, and the Governor's temporary partial exemptions to the Brown Act, and to maintain the orderly conduct of the meeting, the members of the IWMTF may attend the meeting via teleconference or phone conference and participate in the meeting to the same extent as if they were physically present. Due to the Governor's temporary, partial exemption to the Brown Act, the Meeting Room will be open to the public but subject to social distancing requirements, which limit the number of people that may enter to 25% of room capacity. Those that wish to attend the IWMTF meeting, will be required to wear a face covering, as required by the local Public Health Officer order. **Public Comment Opportunity/Written Comment:** Members of the public may submit written comments on any matter within the IWMTF's subject matter jurisdiction, regardless of whether the matter is on the agenda for IWMTF consideration or action. Comments will be entered into the administrative record of the meeting.
