 I, E.P. Osgood, Jr., being first duly sworn, depose and say: That on May 4, 1949, while on survey Andrew Ramelli land Valberde questioned my survey; that O.P. McGarr and Guido Ramelli were brought over & survey stopped; that said three parties then mutually agreed I should run the south line of Sec. 21, T. 23 N., R. 14 E., M.D.B. & M., the same to begin at accepted SE Cor. of said Sec. 21 and run west to and over and beyond the old Cemetery line fence, to point of intersection with fence on E. side of Walker Mine Road; that I should set this as the 1/4 Cor. as then & there so claimed to be the fact by Sur. Fred Freeman, acting for Andrew Valberde, as determined by his survey & proportional parts subdivision. That using this 1/16 point I should set 1/4 Cor. to east and 1/16 Cor. Sec. 21 to West, all 3 points to be evidenced by pipes set in concrete; that from said 1/16 Cor. I should run North at 90° to said sec. line, to intersection with properly determined and/or accepted 1/16 line, east & west thru said Sec. That said 3 parties respectively agreed the lines so run should determine the line E&W between Guido Ramelli & O.P. McGarr, and the line N&S. between Valberdes & O.P. McGarr; all as more fully shown by this Plat.
