

ENGINEER'S CERTIFICATE

This map was prepared by me or under my direction and is based upon a field survey in conformance with the requirements of the Subdivision Map Act and local ordinance at the request of A.P. Bresciani and Virginia Bresciani his wife, on August 1, 1979. I hereby state that the subdivision map procedures of the local agency have been complied with and that this subdivision map conforms to the approved tentative map and the conditions of approval thereof which were required to be fulfilled prior to the filing of the subdivision map. The monuments will be of the character and will occupy the positions indicated, and will be set upon completion of the required improvements on or before October 31, 1980, and that said monuments will be sufficient to enable the survey to be retraced.
