

SURVEYOR'S STATEMENT

This map was prepared by me or under my direction and is based upon a field survey in conformance with the requirements of the Subdivision Map Act and local ordinance at the request of Roger L. Shaheen in January, 2005. I hereby state that this Final Map substantially conforms to the conditionally approved Tentative Map. All of the monuments shown hereon are of the character and occupy the positions indicated, or they will be set in such positions on or before one year after the recordation of this map by the Plumas County Recorder and the monuments will be sufficient to enable the survey to be retraced.
