 - Bk. Book
 - P. Page
 - C.R. Official Records, Plumas County records
 - Ac. Acre

- NOTES**
1. Tentative Parcel Map approved by Plumas County Planning Commission June 1, 1971.
 2. Among the conditions of approval of this map are the following:
 - A. 5 acre minimum parcel size.
 - B. An engineered (compacted) gravel fill be provided on Parcels B-1 and B-2 to provide improved leach fields and to provide building sites with minimum floor levels one foot higher than the grade of the county road, considering said building sites as residential-recreation building sites in a secondary flood plain.

SURVEYOR'S CERTIFICATE

This map was prepared by me or under my direction (and is based upon a field survey) in conformance with the requirements of the Subdivision Map Act at the request of August Santos, June 21, 1971. I hereby certify that it conforms to the approved tentative map and the conditions of approval thereof; that all provisions of applicable state law and local ordinances have been complied with.
