

Legend

Denotes leach exclusion area 50 feet from edge of seasonal irrigation ditch.

Public Utility Easement as shown

Well location

Notes:

1. The information shown hereon is for informational purposes describing conditions as of filing and is not intended to affect record title interest.
2. The additional information shown hereon is derived from public records or reports and does not imply the correctness or sufficiency of those records or reports by preparer.
3. Leach Exclusion areas include 50 feet from lot lines, 50 feet from watercourses, areas of high groundwater, 100' from wells, and all easements except as approved by the County Sanitarian.
4. No driveway or bulding pad excavation shall take place on slopes steeper than 20%.
5. Where fills are constructed or the surfaces disrupted on natural slopes steeper than 20%, the finished ground surface shall have a slope of 3 (horizontal) to 1 (vertical) and be revegetated.
6. Revegetation shall be with lawn, landscape groundcover, or relatively short grasses which are suitable in dry, high elevations.
