

Grading and construction of new residential structures shall be prohibited. Repair and replacement of structures is allowed. No structure that is not residential at the time of the approval of the tentative map may be converted to residential. Accessory structures are allowed pending archaeological clearance by an archaeologist. Existing residential structures shall be identified on the additional information sheet. The existing residential structures may be expanded. Application for future building permits will be reviewed for potential increased traffic impacts. At that time, consideration of requirements for possible road improvements will be addressed.

The additional information shown hereon is for informational purposes, describing conditions as of the date of filing and is not intended to affect record title interest.

The additional information shown hereon is derived from public records or reports and does not imply the correctness nor sufficiency of those records or reports by the preparer.
