

#### Additional Information Statements

Under 1275.00 et seq of the SRA Fire Safe Regulations and the provisions of Article 10 of Chapter 4 of Title 9, commencing with Section 9-4.1001 of the Plumas County Code, emergency water for fire protection shall be required before final inspections for building construction.

Designated sewage disposal and well areas may be relocated with approval of the Environmental Health Department.

The additional information shown hereon is derived from public records or reports and does not imply the correctness nor sufficiency of those records or reports by the preparer.

The additional information shown hereon is for information purposes, describing conditions as of the date of filing and is not intended to affect record title interest.

All future divisions shall be required to pay a pro-rata share for necessary improvements to Clio State 40 A Road to the satisfaction of the Plumas County Public Works Department. Any future easements providing access to Clio State 40 A Road shall also incur the pro-rata share requirement.
