

3/2 10/11	<p>Found recent stone mound with 3"x4"x30" post and recent attention poster. Possible remnants of old stone mound. No evidence of original BT's. Blazed lines to north, east, & south; 1941 location posters referenced to the corner (also older tag, 1932); Testimony by DAVID L KING (operator of adjacent Placer Claims to NW & SW) that corner had been at the present location when he was a young man in ± 1932, indicate corner has been accepted in present location for at least 42 years. A double proportioned corner would fall S79°11'51"W, 49.29'. ACCEPTED corner location and SET 1" x 48" IP 36" in ground with 1 1/2" Brass Cap marked: T22N R11E Raised rock mound 36" diameter by 12" high.
