**NOTES**

The basis of bearings for this map is the south right-of-way line of Main Street given as S 78°00'W, as shown on the plat of the town of Mohawk (Clio), recorded in Book A of Maps at Page 23, Plumas County records.

The alley was vacated in 1981. The purpose of this survey is to establish the created southwest block corner after reversion of the alley to the adjacent property owners.

Re-monumentation of Blocks 4 and 5 shown on Record Map "A" M 23, was done by Walter Grimes (R.C.E. 7294) prior to 1968, partly evidenced by found monuments tagged as such in Book 2 of Parcel Maps at Page 55.
