

**NOTE**

This record of survey was constructed using field measurements to existing corners found as shown on this map and record data from a record of survey recorded in book 10 page 84 of record of surveys. (Gordon Shields L.S.3346)

**8766. Record of Survey- examination**  
(b) The examination pursuant to this section shall not require the license land surveyor or registered civil engineer submitting the record of survey to change the methods or procedures utilized or employed in the performance of the survey, nor shall the examination require a field survey to verify the data shown on the record of survey.
