

# Heart Figure Instructions

## The Project

Make a cute heart figure

## Supplies

Paper to print the heart figure on  
Crayons, markers or colored pencils  
to decorate the heart figure with

Scissors

Glue, glue stick or tape

## Instructions

1. Print out heart figure page
2. Color and decorate all the hearts as desired
3. Cut out the hearts, arms and legs
4. Take the strips of paper that are labeled arms and legs and fold them accordion style
5. Attach one small heart to one end of each strip
6. Attach the other end of the strip to the large heart, placing them in the approximate area of where the arms and legs should go
7. Hang up for all to see
