### PRESS RELEASE

FOR IMMEDIATE RELEASE

August 12, 2021

### **Household hazardous waste cleanup to begin for structures impacted by Beckwourth Fire**

**Quincy, CA** - California Department of Toxic Substances Control (DTSC) will begin Phase 1 Household Hazardous Waste cleanup operations for the Plumas County locations affected by the Beckwourth Complex Fire on Monday August 16, 2021. The Beckwourth Fire includes the immediate areas around Frenchman Lake, a map of the structures impacted by this incident can be [found here](#).

Please do not interfere or impede the DTSC hazardous materials crews while they conduct their assessments and removals. Do not move or disturb ash or debris from burn areas, such actions could result in the loss of government assistance related to the Phase 2 debris removal process, including removal of mass debris. Health and safety hazards remain, enter area at your own risk.

For more information please contact Plumas County Environmental Health at (530) 283-6355.

For more information visit [www.plumascounty.us](http://www.plumascounty.us) and follow the county [Facebook](#).
