Appendix 3-2: Historical Groundwater Levels

RMP 100: historical groundwater levels and SMC

RMP 112: historical groundwater levels and SMC

RMP 12: historical groundwater levels and SMC

RMP 124: historical groundwater levels and SMC

RMP 130: historical groundwater levels and SMC

RMP 131: historical groundwater levels and SMC

RMP 132: historical groundwater levels and SMC

RMP 136: historical groundwater levels and SMC

RMP 148: historical groundwater levels and SMC

RMP 161: historical groundwater levels and SMC

RMP 176: historical groundwater levels and SMC

RMP 185: historical groundwater levels and SMC

RMP 187: historical groundwater levels and SMC

RMP 190: historical groundwater levels and SMC

RMP 194: historical groundwater levels and SMC

RMP 206: historical groundwater levels and SMC

RMP 209: historical groundwater levels and SMC

RMP 289: historical groundwater levels and SMC

RMP 291: historical groundwater levels and SMC

RMP 292: historical groundwater levels and SMC

RMP 294: historical groundwater levels and SMC

RMP 296: historical groundwater levels and SMC

RMP 297: historical groundwater levels and SMC

RMP 298: historical groundwater levels and SMC

RMP 300: historical groundwater levels and SMC

RMP 301: historical groundwater levels and SMC

RMP 302: historical groundwater levels and SMC

RMP 31: historical groundwater levels and SMC

RMP 43: historical groundwater levels and SMC

RMP 56: historical groundwater levels and SMC

RMP 67: historical groundwater levels and SMC

RMP 70: historical groundwater levels and SMC

RMP 73: historical groundwater levels and SMC

RMP 78: historical groundwater levels and SMC

RMP 93: historical groundwater levels and SMC

RMP 94: historical groundwater levels and SMC
