CONSENT TO INSPECT PRIVATE PROPERTY

I, _____, have been advised I do not have to consent to a warrantless search/inspection unless I wish to do so, and I have a right not to have a search/inspection of the premises/vehicle described below without an inspection warrant first being obtained. I have further been advised that I may withdraw my consent at any time, and that I can specify specific areas that can be searched.

Having been advised that I do not have to consent to a warrantless search/inspection, I hereby authorize and give my consent to _____ who has identified himself/herself as a Code Enforcement Officer for the County of Plumas to conduct a search/inspection of the premises/vehicle under my lawful control described below.

Property Address/Vehicle Description:

I further understand, and authorize, the above named officer may obtain assistance with the search/inspection from other departments or agencies authorized by the County of Plumas Code Enforcement Department.

In addition, I hereby authorize and give my consent to the above named officer to take photos, document, post notices from the searched/inspected premises/vehicles, and may remove the described items listed below or perform other items that may be used in connection with a legitimate law enforcement purpose.

By my signature on this document I hereby state and certify that this consent to search/inspect is being given by me knowingly, voluntarily, and without having received any threats, promises, or duress of any kind. I have the lawful authority to consent to the search/inspection.
