White subway wall tile with 4" black tile base
in shower/water closet area

All-in-one vanity cabinet with
marble countertop and white sink

Traditional-yet-simplified detailing

Painted wood in subtle color
that feels of a historic palette

Vintage-inspired black/white penny-tile floor
Dark charcoal gray grout for contrast

MATERIALS INSPIRATION
KITCHEN AREA

Subway tile backsplash

Solid surface quartz
countertop w/natural stone look

Fireclay farmhouse sink

Stainless steel appliances
Brushed nickel hardware

Shaker-style cabinets
in soft taupe color

Warm, medium-toned
engineered wood flooring

MATERIALS PALETTE

KITCHEN AREA

1. Engineered hardwood, bamboo, or LVP flooring in medium warm tone with natural/aged look
2. Shaker-front cabinets painted in a soft putty color (Sherwin Williams 'Shitake')
3. Cambria Quartz Solid Surface Countertop in 'Dovestone'
4. Classic white subway tile backsplash (DalTile Colorwheel 'Arctic White')
5. Open white oak shelving in white-wash or limed finish to tie back to cabinets and add visual depth
6. Oil rubbed bronze fixtures/hardware with traditional styling
