- C. Review and discuss filling of full committee member position to serve as the representative for the position of Head of County Department of Employment; discussion and possible action.
- D. Review and discuss the Annual CCP Plan and Survey status due to the elimination of Community Corrections Partnership Plan funding in the California State Budget for FY 24/25 with a Recommendation to suspend submittal of the CCP Plan and Survey until funding is reinstated by the state.
  - a. *Summary: Prior to FY 24/25, the annual state Budget Act required counties to submit an updated CCP Plan and a CCP Survey to the BSCC annually by December 15 to be eligible for CCP Planning Funds. Due to the deficit for the state's FY 24/25 budget, approximately \$8 million for CCP Planning Funds have been eliminated for FY 24/25; therefore Plumas County will no longer receive annual funds for submission of a CCP Plan and CCP Survey. The requirement to submit an updated CCP Plan and CCP Survey in order to be eligible for these funds was provided as a financial incentive for counties. Probation recommends that Plumas County suspends submission of the updated plan and survey information until such time as the state reinstates the funding.*
  - b. *Recommended Action: Approve suspension of submitting the CCP Plan and Survey to the State until funding is reinstated by the State; give direction to staff as needed.*
