

# EVs and Charging in Plumas County Webinar Series

## **EVs 101: What you need to know about EVs, charging, and incentives December 18, 2025 at 5:30 PM**

This webinar is for residents and businesses and will highlight the facts about EV ownership, address frequently heard myths, and provide an overview of the rebates and incentives that remain available.

## **Adding an EV charging station to your business or rental January 21, 2026 at 1:00 PM**

This webinar is geared toward business owners and rental property managers. Participants will gain an understanding of charging options, installation considerations, business models, how to conduct a basic self-evaluation to determine readiness, and available incentives.

## **Getting a permit for your EV charging station February 19, 2026 at 10:00 AM**

During this webinar, County representatives will walk participants through the streamlined permitting process for EV charging installations. Attendees will learn what to expect when applying, which documents are required, typical timelines, and how recent process improvements make it easier for residents, businesses, and property owners to get their charging projects approved.
